TABERNACLE CHRISTIAN SCHOOL

Tabernacle Christian School where Christ is magnified,
Where we learn that Jesus lives, although for us He died.
Finest training there we find with standards clear and true.
Tabernacle Christian School, praise God for you!

Conquerors for Christ are we; in His own strength we stand.
Guided by the Word of God, we live the lives He planned.
Trained to serve the King of Kings Who died on Calvary,
With the Sword, the Word of God, we have Victory!

—Ray A. Adams

DEDICATION

DR. ROBERT E. SETTLE

"For if the trumpet give an uncertain sound, who shall prepare himself to the battle?" I Corinthians 14:8. In a day such as ours when the uncertain sounds of the world are causing confusion, we are thankful for a Christian school whose trumpet gives forth a certain sound preparing young people to be "more than conquerors" in the battle of life.

From 1964-1970, Tabernacle Baptist Church provided a kindergarten program. Because of the vision God gave the pastor of the need for Christian education and his readiness to work hard to see that vision fulfilled, Tabernacle Christian School opened its doors in September, 1970, with only thirty-six students and three teachers in grades one through six. Today our enrollment has grown to almost three hundred students with a faculty of fifteen teachers. Our first senior class of ten students, three of whom have been in the school since its beginning, will graduate this year.

We, the first graduating class of Tabernacle Christian School, lovingly dedicate the first TABERNACLE TRUMPET to the man whose vision and hard work have made Tabernacle Christian School a reality – DR. ROBERT E. SETTLE.

BUILDERS

A builder builded a temple;
He wrought with care and skill.
Pillars and groins and arches
Were fashioned to meet his will;
And men said when they saw its beauty:
"It shall never know decay.
Great is thy skill, O builder,
Thy fame shall endure for aye."

A teacher builded a temple;
She wrought with skill and care,
Forming each pillar with patience,
Laying each stone with prayer.
None saw the unceasing effort;
None knew of the marvelous plan;
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple,
Crumbled into the dust.
Pillar and groin and arches
Food for consuming rust;
But the temple the teacher builded
Shall endure while the ages roll;
For that beautiful, unseen temple
Was a child's immortal soul.

Minority involvement

God has raised up Bob Jones University to provide for a minority group the world cares nothing about: born-again Christian young people who not only have their faith in Christ but also live by that faith. Such young people are hard to find in the world, but they are everywhere at Bob Jones University. They are rejected by the world but welcomed by Bob Jones University.

The message of this minority is the only hope of our troubled world. The uniqueness of their mission makes mandatory a "special" school catering to their particular needs.

The majority won't come to Bob Jones University, but it is not the majority we are here for.
